5. COSTS AND REIMBURSEMENTS

- Accommodation, food and activities’ materials:** 100% covered by the EU.
- Travel costs:** The travel from your hometown to Benicàssim and back is covered by the project budget up to a limit. This limit is set by the Erasmus+ Programme rules and calculated using the Erasmus+ Distance Calculator tool. Maximum travel budgets are:

Spain	80 euros
Italy	275 euros
Romania	360 euros
Lithuania	360 euros
Greece	360 euros
Bulgaria	360 euros

These are the maximum amounts the project budget will refund you for your displacements from your hometown to Benicàssim and back. If you spend more than the maximum budget, we will not be able to refund you the difference. Please note that there are some **important things** about the travel budget:

- **Only actual costs will be refunded.** The project organizers will refund you no greater amount of money than the one you actually spent on the travels. If there is any margin between the costs of your tickets and the maximum travel budget, it will not be refunded.
- **We can only reimburse travel costs for which original tickets/ invoices/ boarding passes are provided.** We strongly recommend you to keep all the original travel documents with you, since we won’t be able to refund them if we don’t receive them.
- **Only public transportation will be refunded.** Private cars, taxis and the like will not be refunded.
- **Reimbursement will be done after the exchange and will be conditioned to the compliance with the Erasmus+ Programme rules.** It means that full engagement in the activities of the exchange is a requisite for the reimbursement.
- **You can stay in Spain for up to two extra days before and after the project.** In case you want to visit Spain or if the itinerary suits you better this way, you can come up to two days before the beginning of the exchange (October 24th) and/or stay up to two days after its end (October 29th). Accommodation and food will not be provided by the project organizers on those days, but travels will still be reimbursed.

Don’t buy any ticket without confirmation from us! Send us your planned itinerary to galvany.creanteuropa@gmail.com to make sure that everything is alright with it.

6. HOW TO REACH BENICÀSSIM

Benicàssim is quite well connected to major cities and therefore fairly easy to reach. The closest airports are Barcelona (El Prat airport), Valencia (Manises) and Alicante (Alicante-Elche). Other less recommendable options are Madrid (Barajas Adolfo Suárez airport) and Castellón (Castelló-Costa Azahar). Here you can find instructions on how to get to Benicàssim from each of these airports. But first, some important information!

- **Activities will begin on October 24th at 09:00 and finish at 19:00 on October 29th.** You must be in Benicàssim between these two hours. Accommodation and food will be provided at Hostel Argentina from October 23rd till the end of the exchange.
- **The easiest way to go to Benicàssim is by train.** Once you get to Benicàssim, the hostel is 2.2km away from the train station. You can either go by foot (about 30 minutes walk) or by taxi, though this option will not be reimbursed.
- **Ask us!** If you have any doubt or problem or need any advice, don't hesitate to contact us (galvany.creanteuropa@gmail.com).

About Benicàssim/Benicassim

Benicassim is a seaside town in the province of Castellón. Given its ideal location on the Mediterranean coast, it is the perfect spot for stunning views, pleasant sunshine and good music. Benicassim has a 6-kilometre coastline, divided into five beaches. In addition to the sea views, you can admire the breathtaking scenery of the natural park called Desierto de las Palmas, which shows the perfect harmonious environment between the sea and the mountain and offers an incomparable panoramic view of the coastal area of Benicàssim.

Close to Benicassim is Penyíscola, another seaside town which has one of the loveliest views of Spain. It is surrounded by the sea and overlooked by the emblematic Castillo del Papa Luna.

8. COVID-19 MEASURES

Currently, it is possible to travel to Spain from all EU countries provided that the traveler has been fully vaccinated at least 14 days prior to the trip, has recovered from Covid-19 or has a negative PCR test taken no more than 72 hours before the trip. The costs of the PCR tests cannot be reimbursed.

You can check the entry requirements here:

During the exchange, we will celebrate outdoors as many activities as possible and ensure proper ventilation whenever we can't. Thankfully, the weather will likely help with it. The organizers will provide all the necessary sanitation material, such as hand sanitizer and masks.

9. WEATHER

Weather in Benicàssim in October used to be mild. Expect day temperatures to rise way above 20 degrees and night temperatures to be around 10 degrees. You can check the forecast on:
